Important

This price list may be subject to changes without prior notification.

Terms and conditions

Price

All prices included within this document are suggested retail prices.

Terms

Net 30 days from date of invoice for customers with an established credit. An amount of 2% interest per month will be applied on all overdue account after 30 days. Merchandise will be invoiced at the time of shipment. All accounts are C.O.D. unless credit has been established. No shipment will be made to past due accounts. Accounts with outstanding balances due to returned checks or past due accounts placed for collection will not be shipped merchandise until all balances and charges are paid in full.

Returns

No returns will be accepted without prior written authorization. Returns are subject to a minimum of 25% restocking and handling charge which will be deducted from credit. The freight must be prepaid by the customer.

Cancellation

Orders in production cannot be cancelled unless written approval is received from **Logiflex**. A minimum cancellation charge of 25% is applicable in all cases.

Modification

All modifications on new orders need to be done no later than 48 hours of receiving it.

Freight & delivery

All prices contained herein are suggested retail prices - FOB factory, Sherbrooke, Quebec, Canada. Any and all freight conditions or arrangements other than above must be authorized in writing by **Logiflex** and will be limited to conditions agreed upon. Deliveries to be forwarded to the dealer / distributor store or warehouse only.

Shipments with requested delivery other than above subject to an extra fee as charged by the carrier. Any delay at your docking facility could also call for an extra fee for which you could be requested to pay directly to the carrier.

Warranty

Logiflex guarantees all its products against all manufacturing defects, under normal conditions, for a period of five (5) years. This warranty applies only to the original owner of the product and must have been purchased from an authorized **Logiflex** distributor.

The warranty does not apply to claims resulting from the following:

- normal wear;
- modification, transformation, repair or renovation not authorized by **Logiflex**;
- renting to third party;
- normal defects in leather such as;
 - scars, marks
 - difference in stain within a leather skin or between different skins.

This warranty covers repair or replacement, it does not cover the cost of transportation.

Production specifications

The COM fabrics are based on 1st price range. A sample of COM fabric must be sent to **Logiflex** for approbation before the order can be accepted. COM fabrics are used at the client's risk and are not covered by the Logiflex warranty. COM fabrics must be delivered to our factory, shipping, custom duties and brokerage fees "prepaid" with the following information provided: fabric description, number of yards delivered, order number, client name. If the fabric is delivered directly from the manufacturer **Logiflex** reserves the right to refuse any fabric that does not comply with the informations mentioned above.

Leather specifications

All leathers used are "Cowhide".

Please note that the warranty does not apply on leather's natural imperfections, such as: scars, marks, and difference in stain within a leather skin or different skins. This specification also applies for standard leather GR5 and Italian leather GR6.

General Characteristics

Fabric

In order to improve our service, we suggest the use of our main supplier's websites to discover all of their fabric collection. Consequently, we will be pleased to quote a price for the chosen fabrics available.

Available suppliers:	J-Ennis	http://www.jennisfabrics.com/web/index
	Momentum	https://www.themomgroup.com/
	Victor	http://www.victor-innovatex.com/en/
	Maharam	http://www.maharam.com/
	Triden	http://www.triden.com/

Wood color

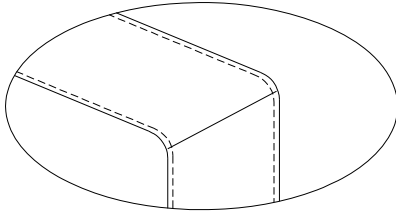

All wooden items offered in this price list are stained using the Logiflex wood finish melamine color. Refer to our current color chart.

Polyurethane foam

The Velva branded polyurethane foam used for the fabrication of our armchairs is anti-bacterial. Different densities exist and will vary from one armchair model to the other. Medium density foam is employed for back and seating parts, while the firmer density foam is used for armrest parts.

Top stitchings

Different top stitchings are available for different armchair models.

Simple top stitching

Available for armchair:

Monro, p.12
Stelli, p.18
Ottomans Stelli, p.20

Double top stitching

Available for armchair:

Flint, p.8
Monro, p.12
Sedia, p.16
Stelli, p.18
Ottomans Stelli, p.20

Decorative piping

Available for armchair:

Bulexi, p.6
Flint, p.8
Sedia, p.16
Tobi, p.22
